2019 Spring Mystery Quilt Challenge

Theme: Freedom

CLUE #5

We're making more snowballs and we're putting pieces together to make a total of 21 blocks that will measure 12.5" x 12.5" unfinished and look like this →

First – Snowball the 21 UNIT 4A blocks we made in a previous clue.

- Cut 84 2" x 2" dark red squares
- Draw a diagonal stitching line on the back of the 84 dark red squares and sew to every corner of all 21 4A UNITS made last week.
- Unfinished size should be 6.5" x 6.5"

Next remove the papers from all flying geese units. *(I found it was important to remove the paper now, so you can more easily stretch the flying geese block to align seams.)*

MAKE 21 “Compass Blocks” using the units created in earlier clues. The “webbing” method works well which I will show you how to do on the [May 31st 2019 Simply Colorful FiberCast](#).

Note how the red of the flying geese unit is toward the center.

Also note the alignment of the red of the corner 4-patch blocks. The red should “radiate” out from the center.

Each Block measures 12.5” x 12.5” unfinished

That’s all there is to Clue 5. We are more than half way through the mystery!

If all goes as planned, we will have finished quilt tops by early July! Keep going. **Reminder: FREE batting when you send your finished mystery top to the [SC Machine Quilting Division for quilting](#).** This is our gift to you, so you might give us a try!
