

## 2015 Two-Color Delight Mystery Quilt – Preparation Phase

It's true. We're doing another Simply Colorful Mystery Quilt. It's made with just 2 colors. You pick which two. It can be white and blue, or grey and yellow, or red and green. You can decide!

### A Beginner-to-Intermediate Challenge

There are fewer pieces than last year's [Daffodil and Crocus Simply Colorful Mystery Quilt](#).

The pieces are much bigger. I think this is a beginner-to-intermediate pattern. If you know the basics of quilting and if you've done just one or a few quilts, I think you'll find this a doable challenge. I'm also hoping experienced quilters will find this a refreshing change of pace.

Your finished quilt will measure 92" x 94".

### Yardage Requirements

Select 2 colors for the front of your quilt.

#### COLOR 1

5 and 1/8th yards of one fabric. We'll always call this FABRIC A. *(I used an off white fabric.)*

#### COLOR 2

If you're going scrappy, about 5 yards of scraps all in Color Tone 2 will be enough. *(I used many different red scraps as my second color.)* If you're not into scrappy, and you'd like your quilt to look to bit more controlled, select 4 variations of Color 2 in these amounts

FABRIC B = 1 yard

FABRIC C = 2 yd

FABRIC D = 5/8ths yard

FABRIC E = 1/2 yard

#### BACKING

6 yards of a fabric that coordinates with your 2 Colors. *(My backing is a small red and white cotton print.)*
